PACE-VET-APP Setup for iOS:

1. Download the PACE-VET-APP in the AppStore (<https://apps.apple.com/app/id6737114219>)
2. Install the 2FAS Auth. App (<https://apps.apple.com/app/id1217793794>)
3. Open the PACE-VET-APP and create an account
4. Enter fill in the required data.

Select account type
“candidate”
Enter name, E-Mail-address,
Place of residence/ birthday
Password
If everything is filled in
correctly, press “next”.

5. Take a Screenshot of the QR-Code, to add in the 2FAS app.

If the screenshot doesn't work, you can also copy and paste the Number/Letter string

6. Add the QR-Code or “secret-key”.

Upload the “secret-key” or Screenshot to add the secure token.

7. Copy the Token:

8. Put “Verification code” in the PACE-VET-APP

If you have added the right Verification code, click “Register”

9. To complete the Account creation, log in with the newly created account details.

The Account will be Registered, once you have logged in successfully.
